

12th Annual Breast Cancer and the Environment Research Program (BCERP) Meeting

Translating Research into Action to Reduce Breast Cancer

November 16 to 17, 2017

DoubleTree by Hilton Hotel / 924 West Huntington Drive, Monrovia, CA 91016

Take this opportunity to engage researchers, clinicians, advocates, and community members in discussion on reducing risk for breast cancer at the BCERP public conference in exciting scientific and policy presentations. Confirmed speakers include:

Session 1: Windows of Susceptibility for Environmental Exposures

Session Chair: Julia Brody, Silent Spring Institute

Karin Michels, UCLA

Rachel Miller, Columbia University

Session 2: Personal Actions and Policies to Prevent Breast Cancer

Session Chair: Kami Silk, Michigan State University

Michele Rakoff, Breast Cancer Care and Research Fund

Mhel Kavanaugh-Lynch, California Breast Cancer Research Program

Session 3: Endocrine Disruptors and Breast Cancer Risk

Session Chair: Susan Neuhausen, City of Hope

Polly Marshall, Breast Cancer Over Time

Shiuan Chen, City of Hope

Susan Pinney, University of Cincinnati

Joseph Jerry, University of Massachusetts Amherst

Session 4: Breast Architecture and Density, and Potential Effects of the Environment

Session Chair: Neeraja Sathyamoorthy, National Cancer Institute

Susan Love, Dr Susan Love Research Foundation

Mark LaBarge, City of Hope

Session 5: Breast Cancer Prevention and Lifestyle Risk Factors

Session Chair: Amy Trentham-Dietz, University of Wisconsin - Madison

Robert Hiatt, University of California, San Francisco

Andrew Dannenberg, Weill Cornell Medical College

Erika Waters, Washington University in St. Louis

Session 6: Breaking Research – Presentations from top-rated submitted abstracts

Session Chair: Richard Schwartz, Michigan State University

Abstracts due September 1, 2017

This meeting is open to the public, community advocates, and researchers *at no cost*.

Registration is open now at registration.bcerp.org.
