

12th Annual Breast Cancer and the Environment Research Program (BCERP) Meeting Translating Research into Action to Reduce Breast Cancer

CALL FOR ABSTRACTS – Due August 1st

Submit your abstracts for the 12th Annual Breast Cancer and the Environment Research Program Meeting.

November 16 to 17, 2017

DoubleTree by Hilton Hotel / 924 West Huntington Drive, Monrovia, CA 91016

Take this opportunity to engage researchers, advocates, and community members in discussion on reducing risk for breast cancer at the BCERP public conference and community forum.

Featured Sessions:

- Windows of Susceptibility for Environmental Exposures
- Personal Actions and Policies to Prevent Breast Cancer
- Endocrine Disruptors – Current BCERP Research
- Breast Architecture and Density and Potential Effects of the Environment
- Breast Cancer Prevention and Lifestyle Risk Factors

Abstract Submission and Registration are now open! This meeting is open to the public, community advocates, and researchers *at no cost*.

Visit www.bcerp.org to submit an abstract and for more information about the meeting.
